A black and white photograph of a stone wall. A large, stylized 'X' mark is drawn on the wall, formed by several thick, dark lines. The 'X' is composed of two main diagonal strokes, each made of three parallel lines, and is intersected by a horizontal stroke also made of three parallel lines. The background is a rough, textured stone wall.

"that child"
refer to

So, what
you've learnt
from master
is not
GwHnShwGong—

**Hold
On!**

Though I
don't understand
much, but since
you've been under
the same master,
there's no reason
to fight, right?

Two years
ago, in order
to create
Guilt
Shenlong,
my master
created
another
experimental
Wu Gang—

However,
that
Wu Gang
is only
taught
to a girl...

Who is
later named,
Black-Thing-
Open

Then, that
Black-Thing-
Open is
the Spring?

The
Black-Thing-
Open who
heard the
experimental
Wu Gang,
2 years
ago...

My
master is
Guilt-Wang-Ma
from
Guilt-Ma
Gang—

While

my master is not
around, charged from
Gwihwa Gang.

Then, my master, before
he visits another Black-
Whang-Gyeon, brought
another 10 children to
teach them
the Gang...

I was
selected among
the 10 children by
master for my talents
to learn the greatest
the Gang of all,
GwihwaGang.
However...

Master
would always
compare me
to the greatest
Black-Whang-
Gyeon

Where
can I find a
child as talented
as Black-Whang-
Gyeon...

You've
already tried
your best,
but your
talent is still
not as good
as "that
child"

Sounds like
this Cheong-
Myung is
from evil
faction...

Sounds
a bit
weird...

What
is...

What's
you call those's
another 10
children brought
in to this school
Next-Rang-
Gyung?

In the process
to learn
Wu Gong,
almost all had
died...

Now
there's
only 9
left.

Who.. What?
There's 9 more
children like
Che-Myung?

Really can't
understand
those people
from evil
faction...

Che-
Che-
Myung?

Grrr...

Che...
Che-
Ryung?

That's
great.

Now,
show me your
real power!

I better
go help
Mi-Ryu...

When Mi's
returns to your
side, Mi-gyeon
looks great.

Hum...

That
Ru-Gun, looks
like he can't
reist his impulses
and want to see
that child...

If my
master who's
been looking for
Ruoh-Rhong-Gyun
knows this, she'll
be angry for
sure...

Looks
like I'll have
to watch over
Ru-Gun...

If he
collaborates
with Ruoh-Rhong-
Gyun, it'll be
very
troublesome.

Excuse
me,
can I ask
you
something?

**May I
ask you
something?**

**This
woman...
Who is
she?**

**How
did she
get behind
me without
me
noticing?**
